Local Association PAC Highlights:

Comedy Night a Big Hit

The Lakeland Association of Realtors® held its first ever comedy night in support of Florida Realtors® PAC. The event held at the LakelandElks Lodge, drew 120 local members for a happy hour and a comedy show raising over \$7,500. "We are thankful for the constant support given by our local Realtors® in support of protecting private property rights and supporting homeownership for all," said Christie McSwain Lakeland Director and local RPAC chair. "With this impressive showing at our first event of the year, we look forward to what else is in store for our association."

Congressman Attends RPAC Breakfast

The Osceola County Association of Realtors® held their annual RPAC Awards breakfast with Congressman Darren Soto. The breakfast highlights all the members who have been supporters of the PAC in the previous year. The association was very happy to have a Realtor® champion like Congressman Soto in attendance. The Congressman is the first candidate to be supported by RPAC from his first election to the Florida House all the way to Congress.

Osceola County PAC Chairman Tim Weisheyer had this to say about the event, "I'm heartened to see so many Realtors® who are committed to the strength and success of our industry and community. Through their generous contributions, these donors have helped ensure that legislators see the importance of voting in support of private property rights, while protecting our profession and making the dream of homeownership one that is in reach for many Americans. Thank you to the many Realtors® who contributed to our RPAC."
