Local Association PAC Highlight

At the recent District 1 Conference hosted by the Gainesville-Alachua County Association of REALTORS®, a very enterprising Realtor® found a way to raise money for RPAC while assisting a local charity. An associate of Craig Wilburn told him about five new bed sets that were available from a furniture store that had gone out of business. Craig auctioned them off to raise funds for RPAC, and then got each winner to agree to donate the bed sets to a local charity.

Thanks to the ingenuity of one Realtor®, and the generosity of several Realtor® volunteers and investors, we saw a real “win-win” at the District 1 Conference.

Great American Realtor Days Update

Great American Realtor® Days (GARD) was held on March 27th through the 29th in Tallahassee. Realtors® from across the state visited the Capitol to meet with their legislators and discuss this year's [legislative priorities](#). Realtors® met with almost every single one of the 160 lawmakers to advance the Realtor® profession and protect the rights of property owners.

The outdoor block party was also a big hit, with Realtors® making a huge splash in downtown Tallahassee as they ate, drank and danced their way into the evening. At the Major Investor lunch, Agriculture Commissioner Adam Putnam spoke about the many issues facing Florida and gave his take on the current political climate.

Thank you to everyone who participated and helped ensure that the Realtor® voice is heard loud and clear in our state Capitol!
