

## December 11, 2018 PAC Newsletter

Thank you all for such an amazing year at Florida Realtors® PAC! With your help and leadership, we raised nearly \$4 million, our highest amount to date! That astounding number came from more than 57,000 of our members who decided to invest in the PAC, with 85 of them achieving President's Circle status and our Hall of Fame total climbing to 72.

Off the back of our record-breaking fundraising efforts, we were able to turn the 2018 election cycle into a huge win for our organization, electing over 91 percent of our supported candidates, and preventing a \$700 million property tax increase with the passage of Amendment 2. Even better, included in that 91 percent are eight Realtors® who will now work to protect and promote our profession in the Florida House and Senate.

None of this success would have been possible without the support of my fellow trustees, our RPAC chairs, our Governmental Affairs Directors, our Association Executives, and Florida Realtors® public policy and other staff members. You all did such a tremendous job in 2018! I'm just so honored to have served as your PAC chair this year and I can't wait to see what we are able to accomplish in the years ahead!
